## Greetings!

We are happy to present you with the New York State Emergency Nurses Association's latest electronic newsletter. It's packed full of information and many opportunities for our members. As always, we welcome your comments, feedback and suggestions!

## PRESIDENT'S MESSAGE

**Audrey Dupree-Sealey, PhD, FNP, RN**

**The NYSCENA train pulled into Saratoga Springs** on April 18, 2012 for the Setting the Pace annual conference.

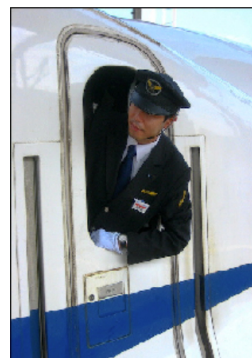

The conference was a great success! It was great to see all our old friends, but what was especially nice was the amount of new attendee's that came on board this year.

Of course this could not have happened without the tireless efforts of our conference committee, led by Kathy Conboy. A big shout of thanks goes out to the vendors, who continuously support NYSCENA's conferences.

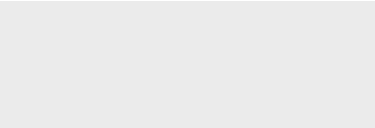

Also let us not forget the local chapter's who generously donate so many terrific items for the raffle.

In closing it was an exciting ride, the momentum created by the speakers and the attendees is what powers the NYSCENA train.

All aboard!!!

Next Stop, Newburgh, New York
